OUR MISSION

Cutting costs for our clients by ending the “epidemic mentality” of high-priced supplies of diesel products.

OUR VISION

To be and remain the industry-leading supplier of high-quality Diesel Fuel (AGO) to all our customers.

OUR VALUES

Accountability, Reliability, Responsive, Innovation,
Client Support, Excellence.

ABOUT US

We are the leading Diesel (AGO) supplier, ranging from various Diesel products, industrial equipments, to electrical energy generating plant supplies, regardless of your industry. We cater to a wide range of industries which include but not limited to Financial sectors, Banking, Real Estate, Government, Lifestyle, Media, Construction, Communication, Manufacturing, Education, Residence, Restaurants, Entertainment, etc.

Our experience in diesel delivery services cut across Residentials and Commercials.

We are committed to keeping businesses, homes, corporate and government bodies afloat without light-outs with our state-of-the-art premium diesel delivery networks.

We do not only bring exceptional diesel supply services to you but we also serve you with industry-leading expertise alongside quality products at competitive pricing through our best-in-class technologies.

We are accountable, reliable and responsive.

We deliver what you need, when you need it, and wherever you need it.

WHY CHOOSE US

Over the years, clients have been gripped with the fear of incessant breakdown of power plants and heavy-duty equipment resulting from poor quality diesel (AGO) use, and the exorbitant fees and charges that comes with bad supply deals.

Hence, there arose this quest of “whom to trust with their diesel supplies in other to get rid off these perpetual extra fees and prevent future breakdowns and blackouts”.

At Nadice Oil & Gas Ltd, we do not have only the capacity to deliver quality diesel, we also have a well laid down structure to make the experience a better one for you and your establishment.

WE ARE CUSTOMER ORIENTED HIGH QUALITY DIESEL FUEL SUPPLIER

(1) Transparency,

As a team, the only way we can create an enviable high-functioning system where investors partner with their mind relaxed, clients are served with their thirst quenched and employees work with their job secured; is by building on a

liable foundation for our able investors, erecting a trustworthy walls of service for our esteemed clients and providing a reliable canopy cover for our endeared staff.

(2) Swift Delivery,

Time is an irreplaceable commodity and must be valued than money, that's why with our on-the-way delivery technique, we guarantee on-time delivery to all our customers upon order within our operational states.

(3) Client Support,

We do not offer supply services and walk away. Our excellent customer experience, follow up routine and innovative updates with seasonal trends of our business have distinguished us from conventional practices out there.

(4) Expert Drivers,

Our team of drivers are professionals committed to safety, performance and excellence oriented. These drivers possess the best attitude, well-skilled, regularly trained, equipped with the right knowledge and are capable of carrying out every supply and haulage projects even without supervision. Sincerely, we are experts in analyzing what our drivers do, how they drive on the road, what they need to know about each of our products, the best and most efficient way to execute every project and delivery.

(5) TECHNICAL KNOW-HOW

We have built an excellent network and a team that knows what it means to quench our client's thirst of excellence with their profound expertise. Rising from our proficient management team to our excellent workforce who treat every client's order with honour, down to our expert drivers who deliver every order with professionalism.

WE ARE LEGALLY AUTHORISED

- We understand what legal security means to you that's why obtaining legal authorization to conduct our business topped our priority list.
- Your financial security is solely what we have at heart while operating under lawful obligations.
- We know that your brand is your unique identity therefore we have come to bond and to strengthen it.
- We realized that a global trademark like yours needs a serious partner in our areas of speciality for continuity.
